INFORMATION STATEMENT

Background

This Information Statement is being furnished on or about January 27, 2006 by the Company to holders of Common Stock as of the close of business on the First Record Date and Second Record Date pursuant to Rule 14c-2 under the Securities Exchange Act. The purpose of this Information Statement is:

- (1) to inform holders of Common Stock that the Company has obtained the written consent of the requisite holders of Common Stock as of the close of business on the First Record Date approving the Plan Amendment;
- (2) to inform holders of Common Stock that the Company has obtained the written consent of the requisite holders of Common Stock as of the close of business on the Second Record Date approving the Charter Amendment; and
- (3) to serve as notice of the foregoing action in accordance with Section 228(e) of the Delaware General Corporation Law.

Section 228(a) of the General Corporation Law of the State of Delaware states that, unless otherwise provided in the certificate of incorporation, any action that may be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if consents in writing, setting forth the action so taken, are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and those consents are delivered to the corporation by delivery to its registered office in Delaware, its principal place of business, or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. The Company's Restated Certificate of Incorporation contains no provision or language in any way limiting the right of the stockholders to take action by written consent.

On October 18, 2005, holders of more than a majority of the outstanding shares of Common Stock executed a written consent approving the Plan Amendment. This consent was executed following approval of the Plan Amendment by the Company's board of directors on September 9, 2005. On December 22, 2005, holders of more than a majority of the outstanding shares of Common Stock executed a written consent approving the Charter Amendment. This consent was executed following approval of the Charter Amendment by the Company's board of directors on November 30, 2005. Because the actions have been approved by the holders of the requisite number of outstanding shares of Common Stock that are entitled to cast votes, no other stockholder approval of these actions is necessary. This Information Statement will also serve as notice of actions taken without a meeting as required by Section 228(e) of the Delaware General Corporation Law. No further notice of the actions described herein will be given to you.

This Information Statement is provided to the Company's stockholders for informational purposes only, and you need not take any further action in connection with this Information Statement. The Company will bear all costs of preparing and delivering this Information Statement.

ADOPTION OF AMENDMENT NO. 1 TO THE GULFPORT ENERGY CORPORATION

2005 STOCK INCENTIVE PLAN

The Company's board of directors and a majority of the stockholders of the Company have approved Amendment No. 1 to the 2005 Stock Incentive Plan. The purpose of the Plan Amendment is to increase the maximum aggregate number of shares of Common Stock which may be issued upon exercise of all awards under the Plan, including incentive stock options, by 500,000 shares, such that the new maximum aggregate number of shares of Common Stock which may be issued upon exercise of all awards under the Plan, including incentive stock options, is 1,904,606, less the total number of shares underlying options granted by employees prior to the adoption of the Plan and outstanding on the effective date of the Plan under the Company's 1999 Stock Option Plan. .

Summary of the Terms of the Plan Amendment

The following is a summary of the principal terms and provisions of the Plan Amendment. The full text of the Plan Amendment is attached to this information statement as Exhibit A. Please refer to Exhibit A for a more complete description of the terms of the Plan Amendment.

Shares Subject to the Plan. Under the Plan Amendment, the shares that may be issued pursuant to awards consist of the Company's authorized but unissued Common Stock, and the maximum aggregate amount of such Common Stock which may be issued upon exercise of all awards under the Plan, including incentive stock options, may not exceed 1,904,606 shares, subject to certain adjustments, less 627,337 shares, the total number of shares underlying options granted to employees prior to the adoption of this Plan and outstanding on the effective date ("**Prior Outstanding Options**") under the Company's 1999 Stock Option Plan (the "**1999 Plan**"). No employee may be granted options covering more than 650,000 shares of Common Stock during any calendar year.

All other terms of the Plan remain unchanged.

ADOPTION OF THE CHARTER AMENDMENT

Increase in Authorized Shares of Common Stock

On November 30, 2005, the Company's board of directors adopted resolutions approving, and as of December 22, 2005, the holders of more than a majority of the outstanding shares of Common Stock approved, the Charter Amendment increasing the total number of shares of Capital Stock that the Company is authorized to issue from 40,000,000 to 60,000,000 and increasing the maximum number of authorized shares of Common Stock from 35,000,000 shares to 55,000,000 shares. The form of the Certificate of Amendment of the Company's Certificate of Incorporation that reflects the increases in the authorized Capital Stock and Common Stock is attached hereto as Exhibit B. The terms of the additional shares of Common Stock will be identical to those of the currently outstanding shares of Common Stock. However, because the holders of Common Stock do not have preemptive rights to purchase or subscribe for any new issuances of Common Stock, the authorization and subsequent issuance of additional shares of Common Stock may reduce the current Common Stockholders' percentage ownership interest in the total outstanding shares of Common Stock.

The increase in the authorized number of shares of Common Stock could have an anti-takeover effect. If the Company's board of directors desires to issue additional shares of Common Stock in the future, such issuance could be made by the board of directors without the consent of the stockholders and could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company.

Reasons for the Increase in Authorized Shares of Common Stock

As of the First Record Date, there were 35,000,000 shares authorized, with 31,946,306 shares of Common Stock issued and outstanding and 1,845,819 shares reserved for specific purposes, including issuance upon the exercise of outstanding options and warrants. As of the Second Record Dates, there were 35,000,000 shares authorized, with 32,032,861 shares of Common Stock issued and outstanding and 1,759,264 shares reserved for specific purposes, including issuance upon the exercise of outstanding options and warrants. Although the Company does not currently have any plans, proposals or arrangements with respect to the issuance of the additional authorized shares of Common Stock, the additional shares will provide flexibility for the Company to raise capital from time to time in the future.

Dissenter's Rights of Appraisal

The Company's stockholders have no rights to appraisal of their shares of Common Stock or other rights to dissent under Delaware law or the Company's Certificate of Incorporation or Bylaws in connection with the matters discussed in this Information Statement.
