About the Annual Meeting

Who is soliciting my vote?

The board of directors of Gulfport Energy Corporation, which we refer to as “we,” “Gulfport” and “the Company” in this proxy statement, is soliciting your vote at the 2007 Annual Meeting of Stockholders.

What am I voting on?

You are voting on:

- The election of directors (*see page 5*);
- The ratification of Grant Thornton LLP as our independent auditors for 2007 (*see page 20*); and
- Any other business properly coming before the meeting.

How does the board of directors recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The Board’s recommendation can be found with the description of each item in this proxy statement. In summary, the board of directors recommends a vote:

- FOR the proposal to elect nominated directors; and
- FOR the proposal to ratify Grant Thornton LLP as the Company’s independent auditors for 2007.

Who is entitled to vote?

You may vote if you were the record owner of our common stock as of the close of business on April 26, 2007. Each share of common stock is entitled to one vote. As of April 26, 2007, we had 35,079,814 shares of common stock outstanding and entitled to vote, excluding 107,888 shares of our restricted common stock granted under our Amended and Restated 2005 Stock Incentive Plan. There is no cumulative voting.

How many votes must be present to hold the meeting?

Your shares are counted as present at the Annual Meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to hold our meeting, holders of a majority of the voting power of our outstanding shares of common stock as of the close of business on April 26, 2007, must be present in person or by proxy at the meeting. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting.

What is a broker non-vote?

If a broker does not have discretion to vote shares held in street name on a particular proposal and does not receive instructions from the beneficial owner on how to vote those shares, the broker may return the proxy card without voting on that proposal. This is known as a *broker non-vote*.

How many votes are needed to approve each of the proposals?

The five nominees for election as directors at the Annual Meeting who receive the highest number of “FOR” votes will be elected as directors. This is called plurality voting. Unless you indicate otherwise on your proxy card, the persons named as your proxies will vote your shares FOR all the nominees for director named in this proxy statement.

[Table of Contents](#)

All other proposals require the affirmative “FOR” vote of a majority of the votes cast. Only votes for or against such other proposals will be counted as votes cast. Abstentions and broker non-votes will not be counted for voting purposes and will have no effect on the result of the vote on such other proposals.

How do I vote?

You can vote either *in person* at the meeting or *by proxy* without attending the meeting.

To vote by proxy, you must fill out the enclosed *proxy card*, date and sign it, and return it in the enclosed postage-paid envelope.

Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. If you plan to vote in person at the Annual Meeting, and you hold your stock in street name, you must obtain a proxy from your broker and bring that proxy to the meeting.

Can I change my vote?

Yes. You can change or revoke your vote at any time before the polls close at the Annual Meeting. You can do this by:

- Signing another proxy card with a later date and returning it to us prior to the meeting,
- Sending our Corporate Secretary a written document revoking your earlier proxy, or
- Voting again at the meeting.

Who counts the votes?

We have hired UMB Bank, N.A., our transfer agent, to count the votes represented by proxies cast by mail or ballot. Employees of UMB Bank, N.A. will act as inspectors of election.

Will my vote be confidential?

Yes. As a matter of Company policy, proxies, ballots and voting tabulations that identify individual stockholders are treated as confidential. Only the tabulation agent and the inspectors of election have access to your vote. Directors and employees of the Company may see your vote only if there is a contested proxy solicitation, as required by law or in certain other special circumstances.

Will my shares be voted if I don't provide my proxy and don't attend the Annual Meeting?

If you do not provide a proxy or vote your shares held in your name, your shares will not be voted.

If you hold your shares in street name, your broker may be able to vote your shares for certain “routine” matters even if you do not provide the broker with voting instructions. The election of directors and the ratification of Grant Thornton LLP as our independent auditors for 2007 are considered routine matters.

How are votes counted?

In the election of directors, you may vote “FOR” all of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. For any other proposal, you may vote “FOR,” “AGAINST” or “ABSTAIN.”

[Table of Contents](#)

What if I return my proxy but don't vote for some of the matters listed on my proxy card?

If you return a signed proxy card without indicating your vote, your shares will be voted FOR the director nominees listed on the card and FOR the ratification of Grant Thornton LLP as our independent auditors for 2007.

Could other matters be decided at the Annual Meeting?

We are not aware of any other matters that will be considered at the Annual Meeting. If any other matters arise at the Annual Meeting, the persons named in your proxies will vote in accordance with their best judgment.

Who can attend the meeting?

The Annual Meeting is open to all holders of our common stock.

What do I need to bring to attend the Annual Meeting?

You will need proof of ownership of our common stock to enter the meeting. If your shares are in the name of your broker or bank or other nominee, you will need to bring evidence of your stock ownership, such as your most recent brokerage statement. All stockholders will be required to present valid picture identification. IF YOU DO NOT HAVE VALID PICTURE IDENTIFICATION AND PROOF THAT YOU OWN SHARES OF OUR STOCK, YOU MAY NOT BE ADMITTED INTO THE MEETING.

How can I access the Company's proxy materials and annual report electronically?

This proxy statement and our 2006 Annual Report on Form 10-KSB are available on our website at www.gulfportenergy.com.

Board of Directors Information

What is the makeup of the board of directors and how often are the members elected?

Effective April 30, 2007, our board of directors consists of five members who are elected annually. The majority of these directors are independent under the Nasdaq listing standards. Prior to April 30, 2007, our board of directors consisted of seven members. Two of our directors, Mickey Liddell and Dan Noles, resigned effective April 30, 2007, as they did not meet director independence requirements under the Nasdaq listing standards. Under these standards, we were required to have a majority of independent directors on our board no later than May 1, 2007. Prior to that date, we were eligible for the "controlled company" exemption from this requirement provided by the Nasdaq listing standards and applicable one-year transition rules.

What if a nominee is unable or unwilling to serve?

That is not expected to occur. If it does, shares represented by proxies will be voted for a substitute nominated by the board of directors.

How are directors compensated?

Members of our board of directors who are also our officers or employees do not receive compensation for their services as directors.

Equity Compensation

We provide our non-employee directors with equity compensation under our Amended and Restated 2005 Stock Incentive Plan. Our current non-employee directors are Robert E. Brooks, David L. Houston and Scott E. Streller. In February 2006, we granted one of our former non-employee directors, Philip G. Lancaster, nonstatutory stock options to purchase 40,000 shares of our common stock at an exercise price of \$12.17, an amount equal to the fair market value of our common stock on the February 14, 2006, which grant was made in connection with his appointment to our board of directors. On August 11, 2006, these 40,000 options were cancelled in connection with his resignation and Mr. Lancaster was issued 6,666 shares of our restricted common stock, which were fully vested upon issuance. In August 2006, we granted another director, Scott E. Streller, 6,666 shares of our restricted common stock in connection with his appointment to our board of directors, which shares vest in 36 substantially equal monthly installments beginning on the date of grant. Unvested options to purchase our common stock held by Messrs. Brooks and Houston vest in five substantially equal annual installments beginning on the first anniversary of the date of grant and have ten-year terms from the date of grant. Further details regarding our director compensation in 2006 are set forth under the heading "2006 Director Compensation" below.

Cash Compensation

We pay our non-employee directors a monthly retainer of \$1,000 and a per meeting attendance fee of \$500 and reimburse all ordinary and necessary expenses incurred by non-employee directors in the conduct of our business.

Insurance and Indemnification Contracts

We provide liability insurance for our directors and officers at a current annual cost of approximately \$235,000 and have contractual indemnification arrangements with our directors and certain of our officers under which we agree, in certain circumstances, to compensate them for costs and liabilities incurred in actions brought against them while acting as directors or officers of the Company.

How often did the board of directors meet in 2006?

The board of directors met five times in 2006. In addition to these meetings, the board of directors adopted resolutions by unanimous written consent. Each director attended at least 75% of the aggregate meetings of the board of directors and the meetings of the committees on which he served.

Do the committees have written charters?

Yes. The charters for our Audit Committee, Compensation Committee and Nominating Committee can be found on our website at www.gulfportenergy.com under the “Corporate Governance” caption. You may also obtain copies of these charters, as well as our Code of Business Conduct and Ethics, which is described below, by writing to Benjamin E. Russ, our general counsel, at 14313 North May Avenue, Suite 100, Oklahoma City, Oklahoma 73134.

Corporate Governance Matters and Communications with the Board

Who are our independent directors?

The board of directors has determined that Robert Brooks, David L. Houston and Scott E. Steller meet the standards regarding independence set forth in the Nasdaq listing standards and are free of any material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company).

Our board of directors has determined that each member of the Audit Committee is independent for purposes of serving on such committee under the Nasdaq listing standards and applicable federal law. In addition, our board of directors has determined that each current member of the Audit Committee is financially literate under the Nasdaq listing standards and that Mr. Houston, who serves as the Chairman of the Audit Committee, qualifies as the “audit committee financial expert,” as such term is defined in Item 407(d) of Regulation S-K.

Our board of directors have also determined that each member of the Compensation Committee and the Nominating Committee meets the independence requirements applicable to those committees under the Nasdaq rules. In addition, our board of directors determined that each member of our compensation committee is an “outside director” in accordance with Section 162(m) of the Internal Revenue Code and a “non-employee director” in accordance with Rule 16b-3 under the Securities Exchange Act of 1934, as amended.

Do our non-management directors meet separately without management?

Our non-management directors have the opportunity to meet in an executive session following each regularly scheduled meeting of the board of directors. During 2006, our non-management directors did not meet.

How can I communicate with the board of directors?

Individuals may communicate with our board of directors or individual directors by writing to our Corporate Secretary, Michael G. Moore, at Gulfport Energy Corporation, 14313 N. May Avenue, Suite 100, Oklahoma City, Oklahoma 73134. Our corporate secretary will review all such correspondence and forward to our board of directors a summary of all such correspondence and copies of all correspondence that, in the opinion of our corporate secretary, relates to the functions of our board of directors or the compensation committee thereof or that he otherwise determines requires their attention. Directors may review a log of all such correspondence received by us and request copies. Concerns relating to accounting, internal control over financial reporting or auditing matters will be immediately brought to the attention of the chairman of the audit committee and handled in accordance with the audit committee procedures established with respect to such matters.

Do directors attend the Annual Meeting?

Prior to May 2006, we were a “controlled company” under the Nasdaq listing standards and stockholder action was generally taken by written consent. As a result, this will be our first Annual Meeting of Stockholders. Recognizing that director attendance at our Annual Meeting can provide our stockholders with an opportunity to communicate with directors about issues affecting the Company, we actively encourage our directors to attend the Annual Meeting of Stockholders.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics designed to help directors and employees resolve ethical issues. Our Code of Business Conduct and Ethics applies to all directors and employees, including the Chief Executive Officer, the Chief Financial Officer and all senior financial officers. Our Code of Business

[Table of Contents](#)

Conduct and Ethics covers various topics including, but not limited to, conflicts of interest, fair dealing, discrimination and harassment, confidentiality, compliance procedures and employee complaint procedures. Our Code of Business Conduct and Ethics is posted on our website under the “Investor Relations—Corporate Governance” caption.

Nominating Process For Directors

The Nominating Committee is comprised of three non-employee directors, all of whom are independent under Nasdaq listing standards. The Committee identifies, investigates and recommends to our board of directors candidates with the goal of creating a balance of knowledge, experience and diversity. Generally, the committee identifies candidates through the personal, business and organizational contacts of the directors and management.

Potential directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the interests of our stockholders. In addition to reviewing a candidate’s background and accomplishments, candidates for director nominees are reviewed in the context of the current composition of our board of directors and the evolving needs of our stockholders businesses. It is the policy of our board of directors that at all times at least a majority of its members meets the standards of independence promulgated by Nasdaq and the SEC, and that all members reflect a range of talents, ages, skills, diversity and expertise, particularly in the areas of accounting and finance, management, leadership and oil and gas related industries sufficient to provide sound and prudent guidance with respect to our stockholders’ operations and interests. We also require that the members of our board of directors be able to dedicate the time and resources sufficient to ensure the diligent performance of their duties on our behalf, including attending all meetings of the board of directors and applicable committee meetings.

Our board of directors will consider stockholder nominations for director candidates upon written submission of such recommendation to our corporate secretary along with, among other things, the nominee’s qualifications and certain biographical information regarding the nominee, such nominee’s written consent to serving as a director if elected and being named in the proxy or information statement and certain information regarding the status of the stockholder submitting the recommendation, all in the manner required by our amended and restated bylaws and the applicable rules and regulations promulgated under the Securities Exchange Act of 1934, as amended. Following verification of the stockholder status of persons proposing candidates, recommendations will be aggregated and considered by our board of directors at a regularly scheduled or special meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials will be forwarded to our board of directors.

Our board of directors may also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, our board of directors will seek to achieve a balance of knowledge, experience and capability on the board. Our board of directors uses the same criteria for evaluating candidates nominated by stockholders as it does for those proposed by current board members, professional search firms and other persons. After completing its evaluation, our board of directors approves the final slate of director nominees.

Our Nominating Committee approved the director nominees submitted for election at this Annual Meeting. Prior to the formation of our Nominating Committee in April 2007, these functions were performed by our full board of directors.

Retirement Plans

401(k) Plan.

We maintain a retirement savings plan, or a 401(k) Plan, for the benefit of our eligible employees who have attained the age of 18. Currently, employees may elect to defer their compensation up to the statutorily prescribed limit. No later than March 15th of each year, we make a safe harbor contribution equal to 3% of each eligible employees gross annual compensation for the prior calendar year. We also have the ability to make an additional, discretionary contribution based on each eligible employee's gross annual compensation for the prior calendar year. Both contributions are made, regardless of employee's deferrals into the plan. For 2006, we made a safe harbor and discretionary contribution totaling six percent for eligible employees. All contributions made by us on behalf of an employee are 100% vested when contributed. The 401(k) Plan is intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code. As such, contributions to the 401(k) Plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) Plan, and all contributions are deductible by us when made.

Amended and Restated 2005 Stock Incentive Plan

Our Amended and Restated 2005 Stock Incentive Plan was adopted to enable us, and any of our affiliates, to attract and retain the services of the types of employees, consultants and directors who will contribute to our long range success and to provide incentives which are linked directly to increases in share value which will inure to the benefit of our stockholders. The plan provides a means by which eligible recipients of awards may be given an opportunity to benefit from increases in value of our common stock through the granting of incentive stock options, nonstatutory stock options, restricted awards, performance awards and stock appreciation rights. Our board of directors, or a committee of the board of directors, serves as the plan administrator.

Eligible award recipients are employees, consultants and directors of ours and our affiliates. Incentive stock options may be granted only to our employees. Awards other than incentive stock options may be granted to employees, consultants and directors. The shares that may be issued pursuant to awards consist of our authorized but unissued common stock, and the maximum aggregate amount of such common stock which may be issued upon exercise of all awards under the plan, including incentive stock options, may not exceed 3,000,000 shares, subject to adjustment to reflect certain corporate transactions or changes in our capital structure. In 2006, we granted a total of 20,000 shares of restricted stock to Mike Moore, our Vice President and Chief Financial Officer, of which 5,000 were granted on May 16, 2006 and 15,000 were granted on August 17, 2006. The awards vest in approximately 36 substantially equal monthly installments. As of April 26, 2007, 853,613 shares were issuable upon exercise of outstanding options and 107,888 shares of restricted common stock had been granted under this plan. There were 1,265,673 shares available for future grants under this plan.

In the event of significant corporate transaction involving a change of control of our company, such as a dissolution or liquidation of us, or any corporate separation or division, including, but not limited to, a split-up, a split-off or a spin-off, or a sale in one or a series of related transactions, of all or substantially all of our assets or a merger, consolidation, or reverse merger in which we are not the surviving entity, then all outstanding stock awards under the Amended and Restated 2005 Stock Incentive Plan may, in the sole discretion of the plan administrator, be assumed, continued, or substituted for by any surviving or acquiring entity (or its parent company), or may be cancelled either with or without consideration for the vested portion of the awards. In the event an award would be cancelled without consideration paid to the extent vested, the award recipient may exercise the award in full or in part for a period of ten days.

Does the Audit Committee approve the services provided by Grant Thornton?

It is our audit committee's policy to pre-approve all audit, audit related and permissible non-audit services rendered to us by our independent auditor. Consistent with such policy, all of the fees listed above that we incurred for services rendered by Grant Thornton LLP in fiscal 2005 and 2006 were pre-approved by our audit committee. No non-audit services were provided to us by Grant Thornton in 2005 or 2006.

Will a representative of Grant Thornton LLP be present at the meeting?

Yes, one or more representatives of Grant Thornton will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to appropriate questions from the stockholders.

What vote is required to approve this proposal?

Stockholder ratification of the appointment of our independent auditors is not required by the Company's bylaws or otherwise. However, we are submitting this proposal to the stockholders as a matter of good corporate practice. Approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal. If the appointment of Grant Thornton is not ratified, the Audit Committee will reconsider the appointment. Even if

the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent audit firm at any time during the year if it is determined that such change would be in best interests of the Company and its stockholders.

Has Grant Thornton LLP always served as Gulfport's independent auditors?

Grant Thornton has served as our independent auditors since 2005. Prior to that time, Hogan & Slovacek served as our independent auditors. On February 9, 2005, we dismissed Hogan & Slovacek as our independent registered public accounting firm. The Audit Committee participated in and approved the decision to change our independent registered public accounting firm.

Hogan & Slovacek's audit reports for the fiscal years ended December 31, 2002 and December 31, 2003, contain no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the fiscal year beginning January 1, 2005 and through February 9, 2005, there had been no disagreements between us and Hogan & Slovacek on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Hogan & Slovacek would have caused them to make reference thereto in their reports on the financial statements for such years.

During the fiscal years ended December 31, 2003 and December 31, 2004 and through February 9, 2005, there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-B.

The proposal must be received no later than December 31, 2007.

Stockholders who wish to propose a matter for action at the 2008 Annual Meeting, including the nomination of directors, but who do not wish to have the proposal or nomination included in the proxy statement, must notify the Company in writing of the information required by the provisions of our by-laws dealing with stockholder proposals. The notice must be delivered to our Corporate Secretary between February 12, 2008 and March 14, 2008. You can obtain a copy of our by-laws by writing the Corporate Secretary at the address below, or via the Internet at www.gulfportenergy.com under our "Corporate Governance" caption.

The board of directors is responsible for selecting and recommending director candidates and will consider nominees recommended by stockholders. Availability of Form 10-KSB and Annual Report to Stockholders

SEC rules require us to provide an Annual Report to stockholders who receive this proxy statement. Additional copies of the Annual Report, along with copies of our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2006, including the financial statements and the financial statement schedules, are available without charge to stockholders upon written request to Director of Stockholder Relations, Gulfport Energy Corporation, 14313 North May Avenue, Suite 100, Oklahoma City, Oklahoma 73134 or via the Internet at www.gulfportenergy.com. We will furnish the exhibits to our Annual Report on Form 10-KSB upon payment of our copying and mailing expenses.

Householding

The SEC permits a single set of annual reports and proxy statements to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces our mailing and printing expenses.
