Ladies and Gentlemen:

Introductory. Gulfport Energy Corporation, a Delaware corporation (the “**Company**”), proposes to issue and sell to Johnson Rice & Company L.L.C. and Jefferies & Company, Inc. (together, the “**Underwriters**”) an aggregate of 4,500,000 shares (the “**Firm Shares**”) of its common stock, par value \$.01 per share (the “**Shares**”). In addition, Liddell Investments LLC (the “**Selling Stockholder**”) has granted to the Underwriters an option to purchase up to 675,000 Shares (the “**Optional Shares**”), as provided in Section 3. The Firm Shares and, if and to the extent such option is exercised, the Optional Shares are collectively called the “**Offered Shares**.”

The Company has prepared and filed with the Securities and Exchange Commission (the “**Commission**”) a shelf registration statement on Form S-3 (File No. 333-146988), including a base prospectus (the “**Base Prospectus**”) to be used in connection with the public offering and sale of the Offered Shares. Such registration statement in the form in which it was declared effective by the Commission under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Securities Act**”), including all documents incorporated or deemed to be incorporated by reference therein and any information deemed to be a part thereof at the time of effectiveness pursuant to Rule 430B under the Securities Act or the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Exchange Act**”), is called the “**Registration Statement**.” The prospectus supplement to be filed promptly after the date hereof describing the Offered Shares and the offering thereof (the “**Prospectus Supplement**”), together with the Base Prospectus, in the form first used by the Underwriters to confirm sales of the Offered Shares or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the Securities Act, is referred to herein as the “**Prospectus**.” As used herein, “**Applicable Time**” is 8:00 a.m. (New York time) on December 7, 2007. As used herein, “**free writing prospectus**” has the meaning set forth in Rule 405 under the Securities Act, and “**Time of Sale Prospectus**” means the Base Prospectus, as amended or supplemented immediately prior to the Applicable Time, together with the free writing prospectuses, if any, identified on Schedule A and the

information agreed to in writing by the Company and the Underwriters as the information to be conveyed orally by the Underwriters to purchasers of the Offered Shares at the Applicable Time, as set forth on Schedule B. As used herein, the terms “**Registration Statement**,” “**Base Prospectus**,” “**Time of Sale Prospectus**” and “**Prospectus**” shall include the documents incorporated and deemed to be incorporated by reference therein. All references in this Agreement to amendments or supplements to the Registration Statement, the Base Prospectus, the Time of Sale Prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Exchange Act which is or is deemed to be incorporated by reference in the Registration Statement, the Base Prospectus, the Time of Sale Prospectus or the Prospectus, as the case may be. All references in this Agreement to (i) the Registration Statement, the Base Prospectus, the Time of Sale Prospectus or the Prospectus, or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“**EDGAR**”) and (ii) the Prospectus shall be deemed to include the “**electronic Prospectus**” provided for use in connection with the offering of the Offered Shares as contemplated by Section 4(n) of this Agreement. All references in this Agreement to financial statements and schedules and other information that are “**contained**,” “**included**” or “**stated**” in the Registration Statement, the Base Prospectus, the Time of Sale Prospectus or the Prospectus (and all other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information that are or are deemed to be incorporated by reference in the Registration Statement, the Base Prospectus, the Time of Sale Prospectus or the Prospectus, as the case may be.

The Company and the Selling Stockholder hereby confirm their agreements with the Underwriters as follows:

Section 1. Representations and Warranties of the Company. The Company hereby represents, warrants and covenants to each Underwriter as follows:

(a) *Compliance with Registration Requirements.* The Registration Statement has been declared effective by the Commission under the Securities Act. The Company has complied with all requests of the Commission for additional or supplemental information. No stop order suspending the effectiveness of the Registration Statement is in effect and no proceedings for such purpose have been instituted or are pending or, to the best knowledge of the Company, are contemplated or threatened by the Commission.

The Prospectus when filed complied in all material respects with the Securities Act and, if filed by electronic transmission pursuant to EDGAR (except as may be permitted by Regulation S-T under the Securities Act), was identical to the copy thereof delivered to the Underwriters for use in connection with the offer and sale of the Offered Shares. The Registration Statement and any post-effective amendment thereto, at the time it became effective and at the First Closing Date (as defined in Section 3) and, if applicable, as of each Option Closing Date (as defined in Section 3), complied and will comply in all material respects with the Securities Act and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. As of the Applicable Time, the Time of Sale Prospectus did not, and at the time of each sale of the Offered Shares and at the First Closing Date, the Time of Sale Prospectus, as then amended or supplemented by the Company, if applicable, will not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Prospectus, as amended or supplemented, as of its date and at the First Closing Date and, if applicable, as of each Option Closing Date, did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The representations and warranties set forth in the three immediately preceding sentences do not apply to statements in or omissions from the Registration Statement or any post-effective

amendment thereto, or the Prospectus or Time of Sale Prospectus, or any amendments or supplements thereto, made in reliance upon and in conformity with information relating to the Underwriters furnished to the Company in writing by the Underwriters expressly for use therein, it being understood and agreed that the only such information furnished by the Underwriters to the Company consists of the information described in Section 10(c) below. There are no contracts or other documents required to be described in the Time of Sale Prospectus or the Prospectus or to be filed as exhibits to the Registration Statement which have not been described or filed as required.

The Company meets, and at the time the Registration Statement was originally declared effective the Company met, the applicable requirements for use of Form S-3 under the Securities Act.

The documents incorporated or deemed to be incorporated by reference in the Prospectus, at the time they were or hereafter are filed with the Commission, complied or will comply, as applicable, in all material respects with the applicable requirements of the Exchange Act.

The Company is not an “ineligible issuer” (as defined in Rule 405 under the Securities Act) in connection with the offering of the Offered Shares pursuant to Rules 164, 405 and 433 under the Securities Act. Any free writing prospectus that the Company is required to file pursuant to Rule 433(d) under the Securities Act has been, or will be, filed with the Commission in accordance with the requirements of the Securities Act. Each free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act or that was prepared by or on behalf of or used or referred to by the Company complies or will comply in all material respects with the requirements of the Securities Act and each such free writing prospectus, as of its issue date and at the First Closing Date and, if applicable, as of each Option Closing Date, did not, does not and will not, as applicable, include any information that conflicted, conflicts with or will conflict with the information contained in the Registration Statement, the Time of Sale Prospectus or the Prospectus, including any document incorporated by reference therein. Except for the free writing prospectuses, if any, identified on Schedule A, the Company has not prepared, used or referred to, and will not, without the Underwriters’ prior consent, prepare, use or refer to, any free writing prospectus.

(b) *Offering Materials Furnished to Underwriters.* The Company has delivered to the Underwriters conformed copies of the Registration Statement (without exhibits), Time of Sale Prospectus, the Prospectus, as amended or supplemented, and any free writing prospectuses reviewed and consented to by the Underwriters, in such quantities and at such places as the Underwriters have reasonably requested.

(c) *Distribution of Offering Material By the Company.* The Company has not distributed and will not distribute, prior to the later of (i) the expiration or termination of the option granted to the several Underwriters in Section 3 and (ii) the completion of the Underwriters’ distribution of the Offered Shares, any offering material in connection with the offering and sale of the Offered Shares other than a Time of Sale Prospectus, the Prospectus or the Registration Statement or any other document not constituting a prospectus pursuant to Section 2(a)(10)(a) of the Securities Act or Rule 134 under the Securities Act.

(d) *Independent Accountants.* Grant Thornton LLP (i) was listed as an independent registered public accounting firm with the Public Company Accounting Oversight Board as of the date hereof and, to the knowledge of the Company, continues to hold this status and (ii) to the knowledge of the Company, is, with respect to the Company, in compliance with subsections (g) through (l) of Section 10A of the Exchange Act.

(e) *Financial Statements.* The financial statements filed with the Commission as a part of or incorporated by reference into the Registration Statement, the Prospectus and Time of Sale Prospectus

present fairly in all material respects the financial condition of the Company as of and at the dates indicated, and the statements of operations, stockholders' equity and comprehensive income and cash flows of the Company for the periods specified; such financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America ("**GAAP**") applied on a consistent basis throughout the periods involved except to the extent disclosed in the notes thereto. The other financial and statistical data set forth in the Registration Statement and included in either the Prospectus or the Time of Sale Prospectus are accurately presented and prepared on a basis consistent with the financial statements and books and records of the Company. There are no financial statements (historical or pro forma) that are required to be included in the Registration Statement and either the Prospectus or the Time of Sale Prospectus that are not included as required. The Company has not engaged in or effected any transaction or arrangement that would constitute an "off-balance sheet arrangement" (as defined in Item 303 of Regulation S-K of the Commission ("**Regulation S-K**")). All non-GAAP financial measures (as defined in Regulation G of the Commission) and ratios derived using non-GAAP financial measures have been presented in compliance with Item 10 of Regulation S-K.

(f) *Reserve Report Data.* The oil and gas reserve estimates of the Company contained or incorporated by reference into the Registration Statement and included in the Prospectus and Time of Sale Prospectus have been prepared by independent reserve engineers or the Company in accordance with Commission guidelines applied on a consistent basis throughout the periods involved, and the Company has no reason to believe that such estimates do not fairly reflect the oil and gas reserves of the Company at the dates indicated. Other than production of the reserves in the ordinary course of business and intervening product price fluctuations described in the Registration Statement, Prospectus and Time of Sale Prospectus, the Company is not aware of any facts or circumstances that would cause a Material Adverse Change in the reserves or the present value of future net cash flows therefrom as described in the Registration Statement, Prospectus or Time of Sale Prospectus.

(g) *No Material Adverse Change in Business.* Except as disclosed in the Time of Sale Prospectus, subsequent to the respective dates as of which information is given in the Time of Sale Prospectus, there has been no (i) material adverse change in the condition, financial or otherwise, results of operations or prospects of the Company taken as a whole (the "**Enterprise**"), whether or not arising in the ordinary course of business (a "**Material Adverse Change**"), (ii) transaction which is material to the Enterprise, (iii) any obligation, direct or contingent (including any off-balance sheet obligations), incurred by the Company, which is material to the Enterprise, (iv) change in the capital stock of the Company, (v) material change in the outstanding indebtedness of the Company or (vi) dividend or distribution of any kind declared, paid or made on the capital stock of the Company.

(h) *Good Standing of the Company.* The Company has been duly organized and is validly existing as a corporation in good standing under the laws of the State of Delaware and has the requisite corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Registration Statement and Time of Sale Prospectus and to enter into and perform its obligations under this Agreement. The Company is duly qualified as a foreign corporation to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or to be in good standing would not result in a Material Adverse Change. Except as otherwise set forth in the Registration Statement, the Prospectus or the Time of Sale Prospectus, the Company does not own or control, directly or indirectly, any corporation, association or other entity.

(i) *Capitalization.* The authorized capital stock of the Company and the issued and outstanding capital stock of the Company as of December 6, 2007, are as set forth on Schedule C. The shares of issued and outstanding capital stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable and none of the outstanding shares of capital stock of the

Company was issued in violation of the preemptive or similar rights of any security holder of the Company. The description of the Company's stock option, stock bonus and other stock plans or arrangements, and the options or other rights granted thereunder, as described in the Registration Statement or in the Time of Sale Prospectus accurately and fairly present in all material respects the information required to be shown with respect to such plans, arrangements, options and rights.

(j) *Other Securities*. Except as disclosed in the Time of Sale Prospectus or on Schedule C, there are no outstanding (i) securities or obligations of the Company convertible into or exchangeable for any equity interests of the Company, (ii) warrants, rights or options to subscribe for or purchase from the Company any equity interests or any such convertible or exchangeable securities or obligations, or (iii) obligations of the Company to issue any equity interests, any such convertible or exchangeable securities or obligations, or any such warrants, rights or options.

(k) *Stock Exchange Listing*. The Shares are registered pursuant to Section 12(b) of the Exchange Act and are listed on The Nasdaq Global Select Market and the Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Shares under the Exchange Act or delisting the Shares from The Nasdaq Global Select Market, nor has the Company received any notification that the Commission or The Nasdaq Global Select Market is contemplating terminating such registration of listing.

(l) *Authorization of Agreement and Binding Effect*. This Agreement has been duly authorized, executed and delivered by the Company and constitutes a valid and binding obligation of the Company enforceable in accordance with its terms except as enforcement may be limited by bankruptcy, insolvency or other laws or court decisions relating to or affecting creditor's rights generally, and except to the extent that enforcement of the indemnification and contribution obligations provided for herein may be limited by federal or state securities laws or the public policies underlying such laws.

(m) *Authorization and Description of Firm Shares*. The Firm Shares have been duly authorized for issuance and sale to the Underwriters pursuant to this Agreement. When the Company issues and delivers the Firm Shares pursuant to this Agreement against payment of the consideration set forth herein, the Firm Shares will be validly issued, fully paid and non-assessable; the capital stock of the Company conforms in all material respects to the description thereof contained in the Time of Sale Prospectus, and such descriptions conform in all material respects to the rights set forth in the instruments defining the same; the issuance by the Company of the Firm Shares is not subject to preemptive or other similar rights of any security holder of the Company; and the Company has authorized and available a sufficient number of Shares for issuance of the Firm Shares pursuant to this Agreement and for issuance upon the exercise, conversion or exchange of all outstanding options and other securities of the Company that are convertible into or exchangeable for Shares.

(n) *Absence of Defaults and Conflicts*. The Company is not (i) in violation of its certificate of incorporation or by-laws, or (ii) in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which it is a party or by which it may be bound, or to which any of the property or assets of the Company is subject (collectively, "**Agreements and Instruments**") except, in the case of clause (ii), for any defaults which, singularly or in the aggregate, would not result in a Material Adverse Change; and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated by this Agreement and in the Time of Sale Prospectus including the issuance and sale of the Offered Shares and the use of the proceeds from the sale of the Offered Shares as described therein, and the compliance by the Company with its obligations under this Agreement (except as contemplated by the Time of Sale Prospectus) do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or

constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the properties or assets of the Company pursuant to the Agreements and Instruments except for such conflicts, breaches, defaults, liens, charges or encumbrances which, singularly or in the aggregate, would not result in a Material Adverse Change, nor will such action result in any violation of the provisions of the certificate of incorporation or by-laws of the Company or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of its assets, properties or operations. As used herein, a “**Repayment Event**” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company.

(o) *Absence of Labor Dispute.* No labor dispute with the employees of the Company exists or to the knowledge of the Company is imminent, and the Company is not aware of any existing or imminent labor disturbance by the employees of any of its principal operators, contractors, suppliers or customers, which, in either case, would result in a Material Adverse Change. The Company is not aware that any key employee or significant group of employees of the Company plans to terminate employment with the Company.

(p) *Absence of Proceedings.* There is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened, against or affecting the Company, which is required to be disclosed in the Registration Statement (other than as disclosed in the Time of Sale Prospectus), or which might result in a Material Adverse Change, or which might materially and adversely affect the properties or assets of the Enterprise or the consummation of the transactions contemplated in this Agreement or the performance by the Company of its obligations hereunder; the aggregate of any and all pending legal or governmental proceedings to which the Company is a party or of which any of its property or assets is the subject which are not described in the Time of Sale Prospectus, including ordinary routine litigation incidental to the business, could not result in a Material Adverse Change.

(q) *Accuracy of Exhibits.* There are no contracts or documents which are required to be described in the Registration Statement or the Prospectus pursuant to Form S-3 or to be filed as exhibits to the Registration Statement pursuant to Item 601 of Regulation S-K or incorporated by reference therein which have not been so described, filed or incorporated as required.

(r) *Possession of Intellectual Property.* The Company owns or possesses, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, “Intellectual Property”) necessary to carry on the business now operated by it, except where the failure to own or possess, or have the ability to acquire on reasonable terms such Intellectual Property would not, singularly or in the aggregate, cause a Material Adverse Change. The Company has not received any notice and is not otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate, would result in a Material Adverse Change.

(s) *Absence of Further Requirements.* No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Company of its obligations hereunder, or in connection

with the offering, issuance or sale of the Offered Shares under this Agreement or the consummation of the transactions contemplated by this Agreement except such as have been already obtained or as may be required under the Securities Act or the regulations promulgated thereunder or state securities laws or by the Financial Industry Regulatory Authority (“**FINRA**”).

(t) *No Price Stabilization or Manipulation; Compliance with Regulation M.* The Company has not taken, directly or indirectly, any action designed to or that would be reasonably expected to cause or result in stabilization or manipulation of the price of the Shares or any other “reference security” (as defined in Rule 100 of Regulation M under the Exchange Act (“**Regulation M**”)) whether to facilitate the sale or resale of the Offered Shares or otherwise, and has taken no action which would directly or indirectly violate Regulation M. The Company acknowledges that the Underwriters may engage in passive market making transactions in the Offered Shares on the Nasdaq National Market in accordance with Regulation M.

(u) *Possession of Licenses and Permits.* The Company possesses such permits, licenses, certificates, approvals, consents and other authorizations (collectively, “**Governmental Licenses**”) issued by appropriate federal, state, local or foreign regulatory bodies necessary for the ownership of its assets and to conduct the business now operated by it, except where the failure to have obtained the same would not cause a Material Adverse Change; the Company is in compliance with the terms and conditions of all such Governmental Licenses, except where the failure to so comply would not singly or in the aggregate cause a Material Adverse Change; all of the Governmental Licenses are valid and in full force and effect, except where the invalidity or the failure to be in full force and effect would not singly or in the aggregate cause a Material Adverse Change; and the Company has not received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding would result in a Material Adverse Change.

(v) *Properties.* Except as otherwise set forth in the Registration Statement, the Prospectus or the Time of Sale Prospectus or such as in the aggregate does not now cause or will in the future cause a Material Adverse Change, the Company has title to its properties as follows: (a) with respect to its wells (including leasehold interests and appurtenant personal property) and its non-producing oil and gas properties (including undeveloped locations on leases held by production and those leases not held by production), such title is good and free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages and restrictions, (b) with respect to its non-producing properties in exploration prospects, such title was investigated in accordance with customary industry procedures prior to the Company’s acquisition thereof; (c) with respect to its real property other than oil and gas interests, such title is good and marketable free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages and restrictions; and (d) with respect to its personal property other than that appurtenant to its oil and gas interests, such title is free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages and restrictions. No real property owned, leased, licensed, or used by the Company lies in an area which is, or to the knowledge of the Company will be, subject to restrictions which would prohibit, and no statements of facts relating to the actions or inaction of another person or entity or his or its ownership, leasing, licensing, or use of any real or personal property exists or will exist which would prevent, the continued effective ownership, leasing, licensing, exploration, development or production or use of such real property in the business of the Company as presently conducted or as the Registration Statement, the Prospectus or the Time of Sale Prospectus indicates it contemplates conducting, except as may be properly described in the Registration Statement, the Prospectus or the Time of Sale Prospectus or such as in the aggregate do not now cause and will not in the future cause a Material Adverse Change.

(w) *Insurance.* Except as otherwise set forth in the Registration Statement, the Prospectus or the Time of Sale Prospectus, the Company is insured by insurers of recognized financial responsibility

against such losses and risks and in such amounts as are adequate for the conduct of its businesses and as are customary for the business in which it is engaged; all such policies of insurance insuring the Company are in full force and effect and the Company has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business.

(x) *Taxes*. The Company has filed on a timely basis all foreign, federal, state and local tax returns that are required to be filed or have requested extensions thereof (except in any case in which the failure so to file would not cause a Material Adverse Change) and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it to the extent due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or would not cause a Material Adverse Change.

(y) *Investment Company Act*. The Company is not required, and upon the issuance and sale of the Offered Shares as herein contemplated and the application of the net proceeds therefrom as described in the Time of Sale Prospectus will not be required, to register as an “investment company” within the meaning of such term under the Investment Company Act of 1940, as amended, and the rules and regulations of the Commission promulgated thereunder.

(z) *Environmental Laws*. There has been no storage, disposal, generation, manufacture, refinement, transportation, handling or treatment of hazardous substances or hazardous wastes by the Company (or, to the knowledge of the Company or any of its predecessors in interest), at, upon or from any of the property now or previously owned, leased or operated by the Company in violation of any applicable law, ordinance, rule, regulation, order, judgment, decree or permit that would require the Company to undertake any remedial action under any applicable law, ordinance, rule, regulation, order, judgment, decree or permit, except for any violation or remedial action that would not, individually or in the aggregate with all such violations and remedial actions, cause a Material Adverse Change. Except for abandonment and similar costs incurred or to be incurred in the ordinary course of business of the Company, there has been no material spill, discharge, leak, emission, injection, escape, dumping or release of any kind onto any property now or previously owned, leased or operated by the Company or into the environment surrounding such property of any hazardous substances or hazardous wastes due to or caused by the Company (or, to the knowledge of the Company, any of its predecessors in interest), except for any such spill, discharge, leak, emission, injection, escape, dumping or release that would not, singularly or in the aggregate with all such spills, discharges, leaks, emissions, injections, escapes, dumpings and releases, result in a Material Adverse Change; and the terms “hazardous substances,” and “hazardous wastes” shall be construed broadly to include such terms and similar terms, all of which shall have the meanings specified in any applicable local, state and federal laws or regulations with respect to environmental protection. Except as set forth in the Time of Sale Prospectus, the Company has not been named as a “potentially responsible party” under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended.

(aa) *Registration Rights*. There are no persons with registration rights or other similar rights to have any securities of the Company registered pursuant to the Registration Statement or sold in the offering contemplated by this Agreement with respect to the Offered Shares included in the Registration Statement, except for such rights as have been duly waived.

(bb) *Internal Accounting*. Subject to such exceptions, if any, as could not reasonably be expected to cause a Material Adverse Change, the Company maintains a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets,

(iii) access to assets is permitted only in accordance with management's general or specific authorization, and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

Section 2. Representations and Warranties of the Selling Stockholder. The Selling Stockholder represents, warrants and covenants to the Underwriters as follows:

(a) *Authorization of Agreement and Binding Effect*. This Agreement has been duly authorized, executed and delivered by the Selling Stockholder and constitutes a valid and binding obligation of the Selling Stockholder enforceable in accordance with its terms except as enforcement may be limited by bankruptcy, insolvency or other laws or court decisions relating to or affecting creditor’s rights generally, and except to the extent that enforcement of the indemnification and contribution obligations provided for herein may be limited by federal or state securities laws or the public policies underlying such laws.

(d) *No Price Stabilization or Manipulation; Compliance with Regulation M.* The Selling Stockholder has not taken, directly or indirectly, any action designed to or that would be reasonably expected to cause or result in stabilization or manipulation of the price of the Shares or any other reference security, whether to facilitate the sale or resale of the Optional Shares or otherwise, and has taken no action which would directly or indirectly violate any provision of Regulation M.

(e) *Absence of Further Requirements.* No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Selling Stockholder of its obligations hereunder, or in connection with the offering or sale of the Optional Shares under this Agreement or the consummation of the transactions contemplated by this Agreement except such as have been already obtained or as may be required under the Securities Act or the regulations promulgated thereunder, state securities laws or by FINRA.

(f) *Absence of Defaults and Conflicts.* Neither the sale of the Optional Shares by the Selling Stockholder nor the consummation of any other of the transactions herein contemplated by the Selling Stockholder or the fulfillment of the terms hereof by the Selling Stockholder will conflict with, result in a breach or violation of, or constitute a default under any law or the charter, limited liability company agreement or similar organizational documents of the Selling Stockholder, or the terms of any indenture or other agreement or instrument to which the Selling Stockholder is a party or bound, or any judgment, order or decree applicable to the Selling Stockholder of any court, regulatory body, administrative agency, governmental body or arbitrator having jurisdiction over the Selling Stockholder.

The parties acknowledge that the only information furnished by or on behalf of the Selling Stockholder in writing expressly for use in connection with the preparation of the Registration Statement or the Time of Sale Prospectus or any supplements thereto is the information as to its name, address, the amount of Shares of the Company held by such Selling Stockholder prior to the offering and to be offered for the Selling Stockholder’s account.

(h) *No Registration, Pre-emptive, Co-Sale or Other Similar Rights.* The Selling Stockholder (i) does not have any registration or other similar rights to have any equity or debt securities registered for sale by the Company under the Registration Statement or included in the offering contemplated by this Agreement except to the extent exercised and so included or hereby waived with respect to this offering, (ii) does not have any preemptive right, co-sale right or right of first refusal or other similar right to purchase any of the Offered Shares that are to be sold by the Company to the Underwriters pursuant to this Agreement, except for such rights as the Selling Stockholder has waived prior to the date hereof and as have been described in the Registration Statement and Time of Sale Prospectus, and (iii) does not own any warrants, options or similar rights to acquire, and does not have any right or arrangement to acquire, any capital stock, right, warrants, options or other securities from the Company, other than those, in each instance, described in the Registration Statement and the Time of Sale Prospectus.

The Selling Stockholder acknowledges that the Underwriters and, for purposes of the opinions to be delivered pursuant to Section 8 hereof, counsel to the Selling Stockholder and counsel to the Underwriters, will rely upon the accuracy and truthfulness of the foregoing representations and hereby consents to such reliance.

Section 3. Purchase, Sale and Delivery of the Offered Shares.

(a) *The Firm Shares.* The Company agrees to issue and sell to the several Underwriters an aggregate of 4,500,000 Firm Shares upon the terms herein set forth. On the basis of the representations, warranties and agreements herein contained, and upon the terms but subject to the conditions herein set forth, the several Underwriters agree to purchase from the Company all of the Firm Shares. The purchase price to be paid by the several Underwriters to the Company for the Firm Shares shall be \$16.80 per share.

(c) *The Optional Shares; Option Closing Date.* In addition, on the basis of the representations, warranties and agreements herein contained, and upon the terms but subject to the conditions herein set forth, the Selling Stockholder hereby grants an option to the several Underwriters to purchase up to an aggregate of 675,000 Optional Shares from the Selling Stockholder at the purchase price per share to be paid by the Underwriters for the Firm Shares. The option granted hereunder is for use by the Underwriters solely in covering any over-allotments in connection with the sale and

distribution of the Firm Shares. The option granted hereunder may be exercised at any time and from time to time in whole or in part upon notice by the Underwriters to the Company and the Selling Stockholder, which notice may be given at any time within 30 days from the date of this Agreement. Such notice shall set forth (i) the aggregate number of Optional Shares as to which the Underwriters are exercising the option, (ii) the names and denominations in which the Optional Shares are to be registered and (iii) the time, date and place at which the Optional Shares will be delivered (which time and date may be simultaneous with, but not earlier than, the First Closing Date; and in such case the term “**First Closing Date**” shall refer to the time and date of delivery of certificates for the Firm Shares and such Optional Shares). Such time and date of delivery, if subsequent to the First Closing Date, is called an “**Option Closing Date**” and shall be determined by the Underwriters and shall not be earlier than two nor later than five full business days after delivery of such notice of exercise. The Underwriters may cancel the option at any time prior to its expiration by giving written notice of such cancellation to the Company and the Selling Stockholder.

(d) *Public Offering of the Offered Shares.* The Underwriters hereby advise the Company and the Selling Stockholder that the Underwriters intend to offer for sale to the public, initially on the terms set forth in the Time of Sale Prospectus and the Prospectus, the Offered Shares as soon after this Agreement has been executed as the Underwriters, in their judgment, have determined is advisable and practicable.

(e) *Payment for the Offered Shares.* Payment for the Firm Shares shall be made at the First Closing Date by wire transfer of immediately available funds to the order of the Company. Payment for the Optional Shares shall be made at the First Closing Date or the applicable Option Closing Date, as the case may be, by wire transfer of immediately available funds to the order of the Selling Stockholder. The Selling Stockholder hereby agrees that it will pay all stock transfer taxes, stamp duties and other similar taxes, if any, payable upon the sale or delivery of the Optional Shares to the several Underwriters, or otherwise in connection with the performance of the Selling Stockholder’s obligations hereunder.

(f) *Delivery of the Offered Shares.* The Company, through the facilities of DTC, shall deliver, or cause to be delivered, to the several Underwriters the Firm Shares at the First Closing Date, against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price therefor. The Selling Stockholder, through the facilities of DTC, shall also deliver, or cause to be delivered, to the several Underwriters, certificates for the Optional Shares the Underwriters have agreed to purchase at the First Closing Date or the applicable Option Closing Date, as the case may be, against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price therefor. The Offered Shares shall be registered in such names and denominations as the Underwriters shall have requested at least one business day prior to the First Closing Date (or the applicable Option Closing Date, as the case may be). Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Underwriters.

Section 4. Additional Covenants of the Company. The Company further covenants and agrees with the Underwriters as follows:

(a) *Delivery of Registration Statement, Time of Sale Prospectus and Prospectus.* Upon request, the Company shall furnish to the Underwriters in New York City, without charge, prior to 10:00 a.m. New York City time on the business day next succeeding the date of this Agreement and during the period mentioned in Section 4(e) or Section 4(g) below, as many copies of the Time of Sale Prospectus, the Prospectus and any supplements and amendments thereto or to the Registration Statement as the Underwriters may reasonably request.

(b) *Underwriters' Review of Proposed Amendments and Supplements.* Prior to amending or supplementing the Registration Statement, the Time of Sale Prospectus or the Prospectus, including any amendment or supplement through incorporation by reference of any report filed under the Exchange Act, the Company shall furnish to the Underwriters for review a copy of each such proposed amendment or supplement, and the Company shall not file any such proposed amendment or supplement without the Underwriters' consent, and shall file with the Commission within the applicable period specified in Rule 424(b) under the Securities Act any prospectus required to be filed pursuant to such Rule.

(c) *Free Writing Prospectuses.* The Company shall furnish to the Underwriters a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not use or refer to any proposed free writing prospectus to which the Underwriters reasonably object.

(d) *Filing of Underwriter Free Writing Prospectuses.* The Company shall not take any action that would result in the Underwriters or the Company being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Underwriters that the Underwriters otherwise would not have been required to file thereunder.

(e) *Amendments and Supplements to Time of Sale Prospectus.* If the Time of Sale Prospectus is being used to solicit offers to buy the Offered Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus so that the Time of Sale Prospectus does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when delivered to a prospective purchaser, not misleading, or if any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Time of Sale Prospectus to comply with applicable law, including the Securities Act, the Company shall (subject to Sections 4(b) and 4(c)) forthwith prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to any dealer upon request, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when delivered to a prospective purchaser, not misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law including the Securities Act.

(f) *Securities Act Compliance.* After the date of this Agreement, the Company shall promptly advise the Underwriters in writing (i) of the receipt of any comments of, or requests for additional or supplemental information from, the Commission, (ii) of the time and date of any filing of any post-effective amendment to the Registration Statement or any amendment or supplement to the Time of Sale Prospectus, any free writing prospectus or the Prospectus, (iii) of the time and date that any post-effective amendment to the Registration Statement becomes effective and (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto or any amendment or supplement to the Time of Sale Prospectus, any free writing prospectus or the Prospectus or of any order preventing or suspending the use of the Time of Sale Prospectus, any free writing prospectus or the Prospectus, or of any proceedings to remove, suspend or terminate from listing or quotation the Shares from any securities exchange or automated quotation system upon which they are listed for trading or included or designated for quotation, or of the threatening or initiation of any proceedings for any of such purposes. If the Commission shall enter any such stop order at any time, the Company will use its best efforts to obtain the lifting of such order at the earliest

possible moment. Additionally, the Company agrees that it shall comply with the provisions of Rules 424(b), 433, 430A and 430B, as applicable, under the Securities Act and will use its reasonable efforts to confirm that any filings made by the Company under such Rules 424(b) or 433 were received in a timely manner by the Commission.

(g) *Amendments and Supplements to the Prospectus and Other Securities Act Matters.* If the delivery of a prospectus is required at any time after the date hereof and if at such time any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus so that the Prospectus does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when the Prospectus is delivered to a purchaser, not misleading, or if in the opinion of the Underwriters or counsel for the Underwriters it is otherwise necessary to amend or supplement the Prospectus to comply with applicable law, including the Securities Act, the Company agrees to promptly prepare (subject to Section 4(b) and 4(c)), file with the Commission and furnish at its own expense to the Underwriters and to dealers, amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law including the Securities Act. Neither the Underwriters' consent to, or delivery of, any such amendment or supplement shall constitute a waiver of any of the Company's obligations under Sections 4(b) or (c).

(h) *Blue Sky Compliance.* The Company shall cooperate with the Underwriters and counsel for the Underwriters to qualify or register the Offered Shares for sale under (or obtain exemptions from the application of) the state securities or blue sky laws of those jurisdictions designated by the Underwriters, shall comply with such laws and shall continue such qualifications, registrations and exemptions in effect so long as required for the distribution of the Offered Shares. The Company shall not be required to qualify as a foreign corporation or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign corporation. The Company will advise the Underwriters promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Offered Shares for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use its reasonable efforts to obtain the withdrawal thereof at the earliest possible moment.

(i) *Use of Proceeds.* The Company shall apply the net proceeds from the sale of the Offered Shares sold by it in the manner described under the caption "Use of Proceeds" in the Prospectus.

(j) *Transfer Agent.* The Company shall continue to engage and maintain, at its expense, a registrar and transfer agent for the Shares (the "**Transfer Agent**").

(k) *Earnings Statement.* As soon as practicable, the Company will make generally available to its security holders and to the Underwriters an earnings statement (which need not be audited) covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement which shall satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder.

(l) *Periodic Reporting Obligations.* The Company, during the period when the Prospectus is required to be delivered under the Securities Act, shall file, on a timely basis, with the Commission and, where required, The Nasdaq Global Select Market all reports and documents required to be filed under the Exchange Act.

(m) *Listing*. The Company will use its reasonable efforts to effect and maintain the inclusion and quotation of the Offered Shares on The Nasdaq Global Select Market and to maintain the inclusion and quotation of the Shares on The Nasdaq Global Select Market unless and until such security is listed on another exchange or automated quotation system of at least comparable reputation.

(n) *Company to Provide Copy of the Prospectus in Form That May be Downloaded from the Internet*. The Company shall cause to be prepared and delivered, at its expense, within one business day from the effective date of this Agreement, to the Underwriters an “electronic Prospectus” to be used by the Underwriters in connection with the offering and sale of the Offered Shares. As used herein, the term “**electronic Prospectus**” means a form of Prospectus, and any amendment or supplement thereto, that meets each of the following conditions: (i) it shall be encoded in an electronic format, satisfactory to the Underwriters, that may be transmitted electronically by the Underwriters to offerees and purchasers of the Offered Shares; (ii) it shall disclose the same information as the paper Prospectus, except to the extent that graphic and image material cannot be disseminated electronically, in which case such graphic and image material shall be replaced in the electronic Prospectus with a fair and accurate narrative description or tabular representation of such material, as appropriate; and (iii) it shall be in or convertible into a paper format or an electronic format, satisfactory to the Underwriters, that will allow investors to store and have continuously ready access to the Prospectus at any future time, without charge to investors (other than any fee charged for subscription to the Internet as a whole and for on-line time). The Company hereby confirms that it has included or will include in the Prospectus filed pursuant to EDGAR or otherwise with the Commission and in the Registration Statement at the time it was declared effective an undertaking that, upon receipt of a request by an investor or his or her representative, the Company shall transmit or cause to be transmitted promptly, without charge, a paper copy of the Prospectus.

(o) *Agreement Not to Offer or Sell Additional Shares*. During the period commencing on the date hereof and ending on the 90th day following the date of the Prospectus (the “**Lock-up Period**”), the Company will not, without the prior written consent of Johnson Rice & Company L.L.C. (which consent may be withheld at the sole discretion of Johnson Rice & Company L.L.C.), directly or indirectly, sell, offer, contract or grant any option to sell, pledge, transfer or establish an open “put equivalent position” within the meaning of Rule 16a-1(h) under the Exchange Act, or otherwise dispose of or transfer, or announce the offering of, or file any registration statement under the Securities Act in respect of, any Shares, options or warrants to acquire Shares or securities exchangeable or exercisable for or convertible into Shares (other than as contemplated by this Agreement with respect to the Offered Shares); provided, however, that (1) the Company may issue Shares or options to purchase its Shares, or Shares upon exercise of options, pursuant to any stock option, stock bonus or other stock plan or arrangement described in the Prospectus or any amendment to or replacement of such plan, (2) file one or more registration statements on Form S-8 or amendments thereto relating to the issuance of Shares or the issuance and exercise of options to purchase Shares granted under the employee benefit plans of the Company existing on the date of the Prospectus or any amendment to or replacement of such plan, (3) the Company may issue shares upon the exercise of warrants outstanding on the date hereof and (4) the Company may file one or more registration statements under the Securities Act or amendments thereto relating to any registration rights held by persons other than those securityholders listed in Section 8(j) of this Agreement. Notwithstanding the foregoing, if (i) during the last 17 days of the Lock-up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs or (ii) prior to the expiration of the Lock-up Period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the Lock-up Period, then in each case the Lock-up Period will be extended until the expiration of the 18-day period beginning on the date of the issuance of the earnings release or the occurrence of the material news or material event, as applicable,

except that such extension will not apply if, (i) at the expiration of the Lock-up Period, the Shares are “actively traded securities” (as defined in Regulation M) and (ii) that the Company meets the applicable requirements of paragraph (a)(1) of Rule 139 under the Securities Act of 1933, as amended, in the manner contemplated by Rule 2711(f)(4) of FINRA.

(p) *Investment Limitation.* The Company shall not invest, or otherwise use the proceeds received by the Company from its sale of the Offered Shares in such a manner as would require the Company to register as an investment company under the Investment Company Act.

(q) *No Stabilization or Manipulation; Compliance with Regulation M.* Prior to the completion of the distribution of the Offered Shares, the Company will not take, directly or indirectly, any action designed to or that might be reasonably expected to cause or result in stabilization or manipulation of the price of the Shares or any other reference security, whether to facilitate the sale or resale of the Offered Shares or otherwise, and the Company will, and shall cause each of its affiliates to, comply with all applicable provisions of Regulation M. Prior to the completion of the distribution of the Offered Shares, if the limitations of Rule 102 of Regulation M (“**Rule 102**”) do not apply with respect to the Offered Shares or any other reference security pursuant to any exception set forth in Section (d) of Rule 102, then promptly upon notice from the Underwriters (or, if later, at the time stated in the notice), the Company will, and shall cause each of its affiliates to, comply with Rule 102 as though such exception were not available but the other provisions of Rule 102 (as interpreted by the Commission) did apply.

The Underwriters, may, in their discretion, waive in writing the performance by the Company of any one or more of the foregoing covenants or extend the time for their performance.

Section 5. Additional Covenants of the Selling Stockholder. The Selling Stockholder further covenants and agrees with the Underwriters as follows:

(a) *Agreement Not to Offer or Sell Additional Shares.* The Selling Stockholder will not, without the prior written consent of Johnson Rice & Company L.L.C. (which consent may be withheld in its sole discretion), directly or indirectly, sell, offer, contract or grant any option to sell (including without limitation any short sale), pledge, transfer, establish an open “put equivalent position” within the meaning of Rule 16a-1(h) under the Exchange Act, or otherwise dispose of any Shares, options or warrants to acquire Shares, or securities exchangeable or exercisable for or convertible into Shares currently or hereafter owned either of record or beneficially (as defined in Rule 13d-3 under Exchange Act) by the Selling Stockholder, or publicly announce the Selling Stockholder’s intention to do any of the foregoing, for a period commencing on the date hereof and continuing through the close of trading on the last day of the Lock-up Period. The foregoing sentence shall not apply to (1) the Optional Shares to be sold hereunder or (2) a transfer by the Selling Stockholder to an affiliate, provided that such affiliate agrees in writing to be bound for the Lock-Up Period. Notwithstanding the foregoing, if (i) during the last 17 days of the Lock-up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs or (ii) prior to the expiration of the Lock-up Period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the Lock-up Period, then in each case the Lock-up Period will be extended until the expiration of the 18-day period beginning on the date of the issuance of the earnings release or the occurrence of the material news or material event, as applicable, except that such extension will not apply if, (i) at the expiration of the Lock-up Period, the Shares are “actively traded securities” (as defined in Regulation M) and (ii) that the Company meets the applicable requirements of paragraph (a)(1) of Rule 139 under the Securities Act of 1933, as amended, in the manner contemplated by Rule 2711(f)(4) of FINRA.

(b) *No Stabilization or Manipulation; Compliance with Regulation M.* Prior to the completion of the distribution of the Optional Shares, the Selling Stockholder will not take, directly or

indirectly, any action designed to or that might be reasonably expected to cause or result in stabilization or manipulation of the price of the Shares or any other reference security, whether to facilitate the sale or resale of the Optional Shares or otherwise, and the Selling Stockholder will, and shall cause each of its affiliates to, comply with all applicable provisions of Regulation M. Prior to the completion of the distribution of the Optional Shares, if the limitations of Rule 102 do not apply with respect to the Optional Shares or any other reference security pursuant to any exception set forth in Section (d) of Rule 102, then promptly upon notice from the Underwriters (or, if later, at the time stated in the notice), the Selling Stockholder will, and shall cause each of its affiliates to, comply with Rule 102 as though such exception were not available but the other provisions of Rule 102 (as interpreted by the Commission) did apply.

Section 10. Indemnification.

(a) *Indemnification of the Underwriters by the Company.* The Company agrees to indemnify and hold harmless each Underwriter, their officers and employees, and each person, if any, who controls each such Underwriter within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which each such Underwriter or such officer, employee or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment thereto, including any information deemed to be a part thereof pursuant to Rule 430A or Rule 430B, as applicable, under the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Time of Sale Prospectus, any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 430B or Rule 433(d) of the Securities Act or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter and each such officer, employee or controlling person for any and all expenses (including the reasonable fees and disbursements of one counsel chosen by the Underwriters) as such expenses are reasonably incurred by such Underwriter or such officer, employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by the Underwriters expressly for use in the Registration Statement, the Time of Sale Prospectus, any such free writing prospectus or the Prospectus (or any amendment or supplement thereto), it being understood and agreed that the only such information furnished by the Underwriters to the Company consists of the information described in subsection (b) below. The indemnity agreement set forth in this Section 10(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Underwriters by the Selling Stockholder.* The Selling Stockholder agrees to indemnify and hold harmless each Underwriter, their officers and employees, and each person, if any, who controls each such Underwriter within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which each such Underwriter or such controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based (i) upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment thereto, including any information deemed to be a part thereof pursuant to Rule 430A under the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) upon any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, the Time of Sale Prospectus, any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission

therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter and each such controlling person for any and all expenses (including the reasonable fees and disbursements of one counsel chosen by the Underwriters) as such expenses are reasonably incurred by such Underwriter or such controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall only apply in each case to the extent but only to the extent such losses, claims, damages, liabilities, expenses or actions are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to the Selling Stockholder furnished to the Company in writing by such Selling Stockholder expressly for use therein as specified in Section 2(g). The indemnity agreement set forth in this Section 10(b) shall be in addition to any liabilities that the Selling Stockholder may otherwise have.

(c) *Indemnification of the Company, its Directors and Officers and the Selling Stockholder.* The Underwriters agree to indemnify and hold harmless the Company, each of its directors, each of its officers who signed the Registration Statement, the Selling Stockholder and each person, if any, who controls the Company or the Selling Stockholder within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, or any such director, officer, or controlling person, or the Selling Stockholder, may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Underwriters), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue or alleged untrue statement of a material fact contained in the Registration Statement, the Time of Sale Prospectus, any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act or the Prospectus (or any amendment or supplement thereto), or arises out of or is based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Time of Sale Prospectus, such free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act, the Prospectus (or such amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company and the Selling Stockholder by the Underwriters expressly for use therein; and to reimburse the Company, or any such director, officer or controlling person, or the Selling Stockholder, for any legal and other expense reasonably incurred by the Company, or any such director, officer or controlling person, or the Selling Stockholder, in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. Each of the Company and the Selling Stockholder hereby acknowledges that the only information that the Underwriters have furnished to the Company and the Selling Stockholder expressly for use in the Registration Statement, the Time of Sale Prospectus, any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act or the Prospectus (or any amendment or supplement thereto) are the statements set forth in the table in the first paragraph and as set forth in the third and ninth paragraphs under the caption "Underwriting" in the Prospectus. The indemnity agreement set forth in this Section 10(c) shall be in addition to any liabilities that the Underwriters may otherwise have.

(d) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 10 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 10, notify the indemnifying party in writing of the commencement thereof, but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party for contribution or otherwise than under the indemnity agreement contained in this Section 10 or to the extent

it is not prejudiced as a proximate result of such failure. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 10 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel), approved by the indemnifying party, representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(e) *Settlements.* The indemnifying party under this Section 10 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding.

Section 11. Contribution. If the indemnification provided for in Section 10 is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Stockholder, on the one hand, and the Underwriters, on the other hand, from the offering of the Offered Shares pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Selling Stockholder, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Stockholder, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Offered Shares pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Offered

Shares pursuant to this Agreement (before deducting expenses) received by the Company and the Selling Stockholder, and the total underwriting discount received by the Underwriters, in each case as set forth on the front cover page of the Prospectus bear to the aggregate initial public offering price of the Offered Shares as set forth on such cover. The relative fault of the Company and the Selling Stockholder, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Selling Stockholder, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 10(c), any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 10(c) with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 11; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 10(c) for purposes of indemnification.

The Company, the Selling Stockholder and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 11 were determined by pro rata allocation or by any other method of allocation (even if the Underwriters were treated as one entity for such purpose) which does not take account of the equitable considerations referred to in this Section 11.

Notwithstanding the provisions of this Section 11, the Underwriters shall not be required to contribute any amount in excess of the underwriting commissions received by the Underwriters in connection with the Offered Shares underwritten by it and distributed to the public. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligation to contribute pursuant to this Section 11 are several, and not joint, in proportion to their respective underwriting commitments. For purposes of this Section 11, each officer and employee of the Underwriters and each person, if any, who controls the Underwriters within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Underwriters, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company with the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company.

Section 12. Termination of this Agreement. The Underwriters, by notice given to the Company and the Selling Stockholder, shall have the right to terminate this Agreement at any time prior to the First Closing Date or to terminate the obligations of the Underwriters to purchase the Optional Shares at any time prior to the Option Closing Date, as the case may be, if at any time (i)(a) trading or quotation in any of the Company's securities shall have been suspended or limited by the Commission or by The Nasdaq Global Select Market or (b) trading in securities generally on either The Nasdaq Global Select Market or the New York Stock Exchange shall have been suspended or limited, or minimum or maximum prices shall have been generally established on any of such stock exchanges by the Commission or FINRA; (ii) a general banking moratorium shall have been declared by any of federal or New York authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Underwriters is material and adverse and makes it impracticable to market the Offered Shares in the manner and on the terms described in the Time of Sale Prospectus or to enforce contracts for the sale of

securities; or (iv) the Company shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Underwriters may interfere materially with the conduct of the business and operations of the Company regardless of whether or not such loss shall have been insured. Any termination pursuant to this Section 12 shall be without liability on the part of (a) the Company and the Selling Stockholder to the Underwriters, except that the Company and the Selling Stockholder shall be obligated to reimburse the expenses of the Underwriters to the extent provided in Sections 6 and 9 hereof, (b) the Underwriters to the Company or the Selling Stockholder, or (c) of any party hereto to any other party except that the provisions of Section 10 and Section 11 shall at all times be effective and shall survive such termination.

Section 13. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, of its officers, of the Selling Stockholder and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Underwriters or the Company or any of its or their partners, officers or directors or any controlling person, as the case may be, and will survive delivery of and payment for the Offered Shares sold hereunder and any termination of this Agreement.
